Capture that beautiful feeling of being on an African holiday, being connected to the local surroundings and people when travelling on our modular designed guided tours, creating a personalized and flexible travel itinerary according to your wish list and requirements. Although each of our tours is a unique travel experience and excellent value for money, the vocabulary is the same, it's the language and experiences of Africa.

It's the unique narrative each tour tells. It's not just a story, it's our South African story.

As we prepare for a post-pandemic world where boundless energy and optimism prevail, peace of mind remains our top priority. Feel at ease with enhanced, South African Government approved COVID-19 Health and Safety Protocols, in place on board our vehicles.

EXPERIENCE**

WE SUPPORT THE SUSTAINABLE DEVELOPMENT GOALS

Garden Route Splendour Tour & South Africa Explorer Tour:

Monkeyland Primate Sanctuary, where you will be able to see a variety of primates, roaming free in the forest. This award-winning sanctuary is well known for its efforts to rehabilitate and free previously caged primates. A portion of the trip price of this MAKE TRAVEL MATTER® Experience, goes towards ensuring that these already endangered species can survive and reproduce for a future reintroduction into the wild. The experience directly advances UN Global Goal 15: Life on Land.

Birds of Eden sanctuary, the biggest single free flight aviary in the world. The sanctuary was developed to create a safe environment in which to release a large collection of free-flight African birds. A portion of the trip price of this MAKE TRAVEL MATTER® Experience goes towards protecting genetically pure species of various Taxa in a semi-wild state and to hold the seeds of these Taxa for future reintroduction into the wild. The experience directly advances UN Global Goal 15: Life on Land.

Garden Route Uncovered Tour & South Africa Odyssey Tour:

Early morning Meerkat Safari. Witness these incredible wild habituated creatures emerging out of their burrows, in time to soak up the sun before they head about their daily activities (weather permitting). A portion of the monies paid by guests for this MAKE TRAVEL MATTER® Experience go towards the Buffelsdrift Foundation, that focusses on Wildlife conservation in the Klein Karoo region, habitat conservation and the local community. The experience directly advances UN Global Goal 15: Life on Land.

Kruger & the Kingdoms Tour, Kruger Park Explorer Tour, South Africa Explorer Tour, South Africa Odyssey Tour & South African Surprise Tour:

Visit to the Kruger National Park Anti-Poaching Dog Unit (Project Watchdog), that was established because of the increase in rhino poaching worldwide. A portion of the trip price of this MAKE TRAVEL MATTER® Experience goes towards ensuring that these dogs receive the best possible care in support of the vital work they do. The experience directly advances UN Global Goal 15: Life on Land.

South Africa Odyssey Tour & South African Surprise Tour:

Join a 2-hour marine safari from Gansbaai with Marine Biologists on hand to explain more about the amazing animals that visit our shores. A portion of the monies paid by guests for this MAKE TRAVEL MATTER® Experience go towards the Dyer Island Conservation Trust that delivers conservation and research programmes to protect the biodiversity of the marine eco-system surrounding Dyer Island. The experience directly advances UN Global Goal 14: Life below Water.

BARRYDALE FARM *SCHOOL DEVELOPMENT FUND*

As part of our efforts toward making travel matter, we include visits to rural farm schools in some of our guided tours travelling between Cape Town and the Garden Route. With every visit to a local farm school in Barrydale, a portion of the trip monies go towards our Barrydale Farm School Development Fund, that supports local education of underprivileged children in rural communities.

Weltevrede Primary School, Akkerboom Primary School and Vleiplaas Primary School in Barrydale are rural schools for the children of local farm workers, built in the 1960s by the farmers in the area. The schools usually have 40-60 children aged between six years and fourteen years attending classes. For a number of years, Terence Cozett (one of our tour guides) had been making unscheduled stops at the schools, so that guests on tour could have an opportunity to interact with a local rural community. These visits often featured as a highlight of the whole tour.

Based on the overwhelming positive feedback from our guests, it was decided to include these visits as a scheduled stop on our Garden Route tours. We realized that our guests were interested in an authentic experience and opportunity to meet with rural communities away from the tourist routes. We continue to support these farm schools through our guided community visits and annual Christmas donations.
